ABOUT US

Found in 2003, Zhongshan Meixiang Display Ltd. Is a leading company in the display industry in Guangdong China.

We are fortunate to have long a term business relationship with many of the top clients and brands in the world, with our "client first" philosophy.

Our customers confidently rely on Meixiang's extensive capabilities to meet their demanding project scopes and developing the products with them patiently. They were satisfied with our sincere response and sense of speed. They trust Meixiang to help facilitate "first to market" new projects as well as repeat business. Our 8 state of the art engineers and equipment allow us to meet our customer's constantly changing needs. Meixiang has hundreds of long term customers who know they can count on us to meet their requirements, no matter how difficult the challenge is. We are experts in custom precision metal and wood fabrication and contract manufacturing and we extend this knowledge into the product quality control system. We are good at working with a wide variety of materials including aluminum, steel, wood, acrylic and stainless steel. Our one stop service offers everything from engineering & design services to complete manufacturing including powder coating/ painting / silk screening, manufacturing, assembly, test and packaging. Meixiang consistently delivers the right combination of price, on time delivery, service and meticulous quality.

Contact Us today and let Meixiang demonstrate our commitment to exceeding your expectations.

FEATURED DISPLAYS

Meixiang has developed over 80 kinds of displays with various famous brands in the past 18 years, like wine displays, gun displays and cosmetic displays.

By working with our clients, our displays outstand our client's product no matter in color, visual experience or practical functions.
